2008-2009 SYHI Coach Evaluation Form

In an effort to provide the best possible instruction to the Participants of SYHI we are asking that parents, along with their player(s) take a few moments to complete the following evaluation form. This will give us a good indication as to the strengths and weaknesses within our coaching ranks. Please feel free to complete separate forms for head coach, assistant coaches and on-ice help. Forms can be returned to the folder in the snack bar or brought to the annual banquet. All information is kept strictly confidential to be used by the board of directors and on-ice committee to evaluate the season. Information may be shared with the coach at the discretion of the board of directors and on-ice committee.
